In the calendar section are details of Home and Open Competitions, Golf Society, I.W. Golf Union, Alliance and I.W. Ladies Golf Association Fixtures where known.

Dates may be changed should unforeseen circumstances arise. The Monthly Calendar displayed in the Club Competition Room will show any changes.

The competitions which are sponsored by commerce or charities are noted in the fixture list. Notification of sponsorship is still awaited in some instances and if this is not forthcoming event(s) will revert to medal etc. as the case may be. Others may be added to existing competitions during the year.

A handicap certificate is available from and will be completed by the Secretary / Competition Secretary on request. Members are reminded that most clubs require such a certificate before allowing play.

Please remember that those playing in competitions have priority and “cutting in” is NOT allowed during competitions.

In order to protect our course and locker room floors, soft spikes should be used in the place of metal spikes whenever possible.
